

**DETROIT WATER AND SEWERAGE DEPARTMENT  
PURCHASING DIVISION**

Dear Valued Vendor,

In an effort to improve efficiency, Detroit Water & Sewerage Department will be using the Michigan Inter-governmental Trade Network (MITN) to solicit bids exceeding \$5K. This system will provide you with convenient online access to all bid information (exceeding this amount) via the Detroit Water & Sewerage Department, Purchasing Division.

For all bids less than \$5K, suppliers can contact the Purchasing Division to be placed on the buyer's suppliers list for solicitation of goods and/or services requests provided by your company.

It's easy to participate in future bid opportunities from this agency by simply registering online or contacting the division for additional information. **To register, visit [www.mitn.info](http://www.mitn.info), use the "Vendor Registration" link and complete your registration.** If you are currently registered as a Vendor on this system with another local agency, you do not need to register again. **To contact the Purchasing Division, please call 313-297-6483.**

We look forward to providing you with more bid information, less paperwork and simplifying the processes for everyone involved. We thank you for your cooperation and welcome your participation!

If you need help registering on MITN, please call the support department at IPT by BidNet toll free **1-800-835-4603**.

Sincerely,

DWSD Purchasing
