Dear Potential DWSD Contractors:

The Detroit Water and Sewerage Department (DWSD) is pleased to offer a listing of proposed construction and consultant contracts that the Department anticipates releasing October through December of 2015. This report is in response to requests from DWSD personnel and prospective consultant and construction contractors concerning the status of projects currently under consideration by DWSD.

Questions concerning the availability of this report should be directed to Mr. Ed Ramey of the Local Economic Development Unit at (313) 224-4754. The report is also available on the website at www.dwsd.org.

Sincerely,

A handwritten signature in cursive script, appearing to read "Daniel Edwards".
