Section 23a of the State Construction Code of 1972, PA 230 1972, MCL 125.1523a, prohibits a person from conspiring to circumvent the Licensing Requirements of this State relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subjected to civil fines.

HOMEOWNER'S AFFIDAVIT

I hereby certify the electrical work described on this permit application shall be installed by me in my own home in which I am living or about to occupy. All work shall be installed in accordance with the Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for necessary inspections.
