

SERVICE CHANGES

EFFECTIVE : January 23, 2016

DDOT is pleased to announce Proposed Service Changes for January 23, 2016. We extend a special thanks to customers who attended our Community Input Workshops and previous Public Hearings; feedback from these sessions helped to shape this Proposal.

Service Adjustments:

Route 16 Dexter
Weekdays, add southbound trips in the morning to relieve crowding.

Route 17 Eight Mile
All Days, extend route from 8 Mile & Gratiot to Mack & Moross (St John Hospital) via Eastland Center. Introduce new schedules, featuring earlier morning service, later night service and adjusted times for better reliability.

Route 18 Fenkell
Saturdays, change daytime service to every 50 minutes. Extend night service one hour later.

Route 19 Fort
All Days, return to regular routing over Rouge River drawbridge. To match routing, introduce new schedules with adjusted service levels: Weekdays every 27-35 minutes, Saturdays every 40 minutes, Sundays every 60-65 minutes.

Route 21 Grand River
All Days, introduce 24-hour service

Route 23 Hamilton
To improve reliability, introduce new schedules with adjusted service levels: Weekdays every 30-50 minutes, Saturdays every 60 minutes, Sundays every 60 minutes. Adjustments to night departure times from Rosa Parks Transit Center.

Route 25 Jefferson
To improve reliability, introduce new schedules with improved service levels: Weekdays every 15-20 minutes, Saturdays every 25-45 minutes, Sundays every 40 minutes. Adjustments to night departure times from Rosa Parks Transit Center.

Route 27 Joy
To improve reliability, introduce new schedules with adjusted service levels: Weekdays every 30-50 minutes, Saturdays every 60 minutes, Sundays every 60 minutes. Adjustments to night departure times from Rosa Parks Transit Center.

Route 29 Linwood
All Days, minor schedule adjustments.

Route 31 Mack
All Days, change route to travel between Rosa Parks Transit Center and Mack & Moross (St John Hospital). Service to Moross, Kelly and Eastland Center available via the extended 17 – Eight Mile. Introduce new schedules to match new routing.

Route 32 McNichols
Saturdays and Sundays, change western start/end point from Rockdale to Meijer/Old Redford. All Days, introduce new schedules to improve reliability.

Route 34 Gratiot
All Days, change route to travel between Downtown and Gratiot & 8 Mile. Service to Eastland Center available via the extended 17 – Eight Mile. All Days, introduce 24-hour service and new schedules to improve reliability.

Route 41 Schaefer
To improve reliability, introduce new schedules with adjusted service levels: Weekdays every 60 minutes, Saturdays every 60 minutes, Sundays every 60 minutes.

Route 45 Seven Mile
All Days, change western start/end point from Grand River & Redford to Meijer/Old Redford. All Days, introduce new schedules to match new routing and improve reliability.

Route 53 Woodward
All Days, introduce 24-hour service. Sundays, improve daytime service to every 15 minutes.

>>> Transferless Transfer >>>

On certain routes, designated trips continue service on another route. For example, some buses arriving at Rosa Parks Transit Center as Route 23 Hamilton depart as Route 29 Linwood. Customers transferring from Route 23 to Route 29 can remain on the bus without buying or using a transfer. Please consult individual schedules to see which routes and trips are proposed for this convenient new feature!
